

Students can generate an enrollment verification certificate via CaneLink.

Please follow the steps below:

1) Log in to [CaneLink](#)

2) On the left-hand side, click on “Transcripts,” then select “Enrollment Certification.”

The screenshot shows the CaneLink dashboard for a user named Sebastian. On the left is a dark green navigation menu with the following items: Dashboard, My Profile, Schedule, Class Information, Enrollment, Academics, Transcripts, Graduation, Financials, Admissions, and Sebastian Ibis. The 'Transcripts' menu item is expanded, showing sub-options: View Unofficial Transcript, Order Official Transcript, Transfer Credit, and Enrollment Certification. A red arrow points to the 'Enrollment Certification' option. The main dashboard area is titled 'Hello Sebastian!' and includes tabs for 'General' and 'Academics'. It features several widgets: 'To Dos' with two items (A: Decision Will Post Dec 10 and I-20 Travel Certification_TST), 'Holds' with one item (International Student), 'Shopping Cart Fall 2021' (empty), 'Inbox' with three messages (Waitlist Message, Make Your Voice Heard!, Make Your Voice Heard!), and 'Wait List Fall 2021' with two entries: INTR BIOLOGICAL SCI BIL 101 - B (2285) and CRITICAL THINKING & PERSUASION BUS 300 - T2 (7051). Both waitlist entries show a status of 'Waiting' and a position of '1', with an 'Open' button below each.

3) Students will then need to fill out the information on the National Student Clearinghouse website.
